

# Who's Who in the African American Community

## CELEBRATE BLACK HISTORY MONTH

It is time to celebrate this rich culture by bringing more awareness to our communities of their outstanding successes.

This feature presentation will publish within The Ledger to over 90,000 homes. It will include articles on the history and significant contributions made by the African American community.

Join us as we honor the African American community consisting of...artists, physicians, nurses, educators, pastors, salesman, politicians, laborers and families that make Polk County a better place to live.

Your support is appreciated. Advertising in this program will not only bring community awareness to your business but also enable you to spotlight your service and product to over 226,000 Ledger readers.
